Side saddle picture

Monday 3rd September – Friday 7th September 2018

Following our enjoyable taster last year we are offering a side saddle holiday for up to 6 riders. Weight limits 12stone. Riding will be at Acrecliffe Equestrian Centre, Otley, where Anne Overall RDAI, dressage competitor and side saddle rider, will coach. We will do morning exercises for those who wish before riding and local visits in the afternoons. One day will be spent riding in the country.

Unfortunately, no hoist facility is available and there is limited assistance available when mounting. If you are unsure then please call Judy below before applying to discuss this further.

Accommodation will be at in a Chapel which has been comfortably converted for use by those who have disabilities. The Showers have been replaced and improved this year. There are 2 en-suite 4 bedded rooms, 2 and 4 bedded rooms which have washbasins. Riders from our alternative holiday will also be staying at the same accommodation.
