Subject: Volunteers' Week is here — Let's celebrate YOU ❤️

Hi [Name],

It's Volunteers' Week (2–8 June) — and that means it's time to celebrate the amazing people who make [RDA Group Name] what it is.

That's you. ❤️

This year, as well as saying a huge THANK YOU, we're asking for your help to grow our RDA family by getting involved in #AnRDAAinvitation — a campaign that encourages everyone to invite someone new to discover what RDA is all about.

It's easy to take part — and every little effort makes a difference.

Here's how you can get involved this week:

Invite someone along

Know a friend, neighbour, or colleague who might enjoy volunteering? Bring them along for a visit or just tell them what you love about being part of RDA. Most people start volunteering because someone asked. Could that someone be you?

Share our social media posts

We'll be sharing thank-you messages and invitations throughout the week on [Insert Group Social Media Link or Handle]. Please like, share, comment — and help us reach more people in our local community.

Post your own

RDA UK have created some simple, ready-to-use graphics for you to share on your own social media. Just pick one that fits you, post it during the week, and tell the world why you volunteer with RDA!

We know you already do so much — and we're so grateful.
But if you can help us spread the word this week, we might just find the next amazing volunteer... thanks to you.

Thank you for everything you bring to [RDA Group Name]. ❤️
Let's celebrate together!

Warmest wishes,
[Your Name / Group Name]
