

# Exemptions for Coach Certificate

## Medical Professional Qualifications:

There will be other qualifications that may be provided as being relevant to RDA - these should be considered on an individual basis.

Qualifications should have been either gained within the last three years, or some CPD within the last three years should be evidenced.

If you believe you have an existing qualification that may provide an exemption, please email this evidence to [coaching@rda.org.uk](mailto:coaching@rda.org.uk)
