

**RDA VIRTUAL NATIONAL CHAMPIONSHIPS TO BE  
SHOWN THROUGH A LIVE STREAMED EVENT ON  
FRIDAY 21st, SATURDAY 22nd & SUNDAY 23rd  
November 2025**

# WELCOME

We are delighted to be able to continue with the Virtual National Championships which are to be held this year on Friday 21st , Saturday 22nd and Sunday 23rd November during the late afternoon and evening on RDA Facebook Page and RDA You Tube Channel. Gather your groups and friends together to view the top three competitors in reverse order in each class. Be interactive by adding your congratulations and comments during the live streaming - this viewing is for everyone.

The Virtual National Championships will include many of the disciplines we see within the RDA. It's a great way for even more participants to take part as there is no travel involved. Please find enclosed the schedule for the Virtual National Championships including which classes will be running and also discipline specific information.

As in previous years please note Competitors will not need to qualify for the Virtual National Championships. It will be direct entry but if you have competed at the National Championships you will need to enter the Open Section.

If you are unsure of which classes, you should or can enter then please contact either Fiona Harris [fharris@rda.co.uk](mailto:fharris@rda.co.uk) or Katie O'Brien [kobrien@rda.co.uk](mailto:kobrien@rda.co.uk)

Several resources and guides have been put together and will continue to be updated on how best to video the test or discipline you wish to take part in. This can be found on the National Championships page of the MYRDA website.

Please make sure you have read through all the rules and regulations about which class you should have entered, you have ridden the correct test and you have the correct tack and dress on.

Best wishes and good luck.

If the test is being commanded then the commander needs to stand at E, if possible according to the RDA Rule Book.

For full dressage rules please consult the RDA Rule Book.

# ***Musical Ride/Carriage Drive DVD Competition***

Each entry should present a drill ride or carriage drive with riders and helpers smartly dressed – for example in their matching group sweatshirts - on suitable ponies/horses. If they wish to use modest fancy dress, for example to dress as soldiers to reflect marching music, then that is also acceptable.

There are two classes for the Drill Ride, one is for those riders who are led, with or without side walkers. The second one is for those riders who ride independently, without leaders or side walkers. (Their coach may stand at the side of the arena in case of an emergency. In both classes, presentations will be marked down if the ride is 'called'.

## **BACKGROUND**

Since the inception of this competition, it was planned that Groups should go 'BACK TO BASICS' where the performance of a Musical Ride/Carriage Drive could reflect the coaching of flatwork skills and school movements which are included in most RDA sessions. The competition also invites groups to demonstrate imagination and innovation in their coaching methods which make their RDA sessions so enjoyable for all our participants.

Music has been shown to be a powerful element to improve and energise the performance of both horse and rider or carriage driver and each year the judges look forward to seeing a wider use of music and movements to do just that.

Once again, the judges are most definitely not looking for 'professional' productions.

## **COMPETITION RULES AND GUIDELINES**

### **1. Participants -**

For each ridden entry, in both the led and independently ridden classes, there can be a minimum of 3 riders and a maximum of 8 riders. There can be one or more carriages in the driven class.

### **2. Timings –**

Each performance should include a short, clear introduction. The introduction should include the title of the ride/drive and the name of the group. Wherever possible, the riders/carriage drivers should introduce themselves in whatever way is considered suitable. The judges are keen to be aware of the participants' abilities and personalities before watching their performance. The introduction can be with or without music. The performance should also include an ending where riders/drivers perform a halt in time with the music ending. Including the introduction, the whole performance must be at least 6 minutes and not exceed 9 minutes.

### **3. Ages -**

Entries may have mixed age groups.

#### **4. Health and Safety -**

Hats, footwear, tack/harness etc. must conform to all current RDA Health & Safety standards. If skirts etc. are worn trousers/jodhpurs must be worn underneath if saddles are used. Marks will be deducted if any RDA H&S criteria are not met. All equipment/props and dress used should have had a risk assessment to ensure that it is safe for use in an RDA riding/carriage driving session. Riders must ride astride unless a side saddle is used.

#### **5. Music –**

The performance can use music of any genre and use more than one piece of music. Vocals are acceptable if they are not too distracting. However, please bear in mind that the music needs to be clearly heard by the judges watching so the original recording quality is important. Choosing music which is suitable for walk (4 beat rhythm), trot (2 beat rhythm) and, where used, canter (3 beat rhythm) will enhance your performance and marks. It needs to have energy, and motivate the riders, drivers and helpers to produce an entertaining performance. Dance and marching type music can work well for drill work.

#### **6. Choreography –**

Try to make the floor patterns as interesting as possible and include imaginative and innovative school movements which can be used to extend those usually used in Group sessions. Ideas can be discussed with your County or Regional Coach who will be pleased to help and advise you.

#### **7. Filming –**

The judges are looking for a production which includes a view of the whole ride and also zooms in for close ups occasionally at appropriate moments.

#### **8. Scoring –**

An example score sheet can be downloaded from the RDA website

#### **9. Entries –**

Each group may submit multiple entries for each class of the competition.

Each recording must have been produced in 'one take' and not been edited in any way.

All video's must state clearly stating the class, date of the video, title of the Ride or Carriage Drive, the name of the group and region.

ALL RIDDEN DRESSAGE TESTS WILL BE IN A 20 X 40 ARENA

THE CARRIAGE DRIVING DRESSAGE TEST WILL BE IN A 60 X 30 ARENA

# **Performance Showing**

## **What is Performance Showing?**

Firstly, these classes have nothing to do with an equine beauty contest! Conformation of the horse/pony is not taken in to account and lumps & bumps are not looked at.

These classes come in three different formats to accommodate all riders:

Class 1. Walk and trot on the leading rein.

Class 2. Walk and trot off the lead rein.

Class 3. Walk, trot and canter

## **How is Performance Showing judged?**

The judging is conducted by looking at the harmony between the rider and their horse/pony, the turnout and, most importantly, the overall impression. Basically, the judge is looking for a happy partnership regardless of the occasional nerves!

## **What to Wear.**

You do not need to have the most deluxe showing jacket or canary jodhpurs! Make sure that you are clean and tidy with nicely polished boots and that things fit as well as possible.

Have fun turning your horse or pony out to the best of your ability.

## **What is the point of the performance Showing Classes?**

These classes provide an excellent stepping stone for all riders who may wish to progress towards dressage, for example. It is a chance for riders to show off their riding ability at their own level and to design a short individual show to suit them and their equine mount.

Video recordings are available on how to set up and conduct your individual show for all three classes on the MyRDA Website.

## **How to Film your virtual Show**

In the Virtual Shows you will need to film all round your horse/pony whilst it is standing still and then film your individual show. There is not a Championship offered within the RDA Virtual Shows.
